

## HP Chart Cart 1100d

Developing complete solutions for healthcare, the HP Chart Cart makes mobile point-of-care easy to deploy.

HP recommends Windows® 7.

---

### Completely configured—delivered in one box

Making point-of-care easier; the HP Chart Cart 1100d arrives in a single carton, completely configured and ready to deploy. Designed to support small clinic technology requirements, the HP Chart Cart 1100d combines an innovative point-of-care cart with carefully-selected technology that is highly affordable and moves with you as you see patients, update health records, and review charts.

### Functional features at the point of care

The innovative and flexible design of the HP Chart Cart 1100d offers a range of features to enhance the way you work at the point of care.

- **Customize your height**—Ideal for clinicians from 5'0" to 6'1" (152 to 185 cm)
- **Sit or stand**—Adjust the cart to your most comfortable sitting or standing position
- **Move freely**—Ultra-smooth gliding casters and a small footprint make it easy to move the cart across carpet, hard surfaces or into constrained spaces
- **Adjustable viewing**—Use the adjustable monitor in landscape or portrait position
- **Work comfortably**—The back-tilt keyboard tray helps your wrists remain in a neutral position, and the sliding mouse tray supports left- or right-handed use of the mouse

### High-performance technology

The HP Chart Cart 1100d comes with everything you need in one box:

- **HP Chart Cart 1100d chassis**—A highly flexible, free moving cart designed to help you work more comfortably
- **HP Compaq 6005 USDT Business PC**—Reliable high-performance computing for everything from patient records to bookkeeping
- **19-inch Diagonal Widescreen LCD Monitor**—Provides crisp, clear views of text and images
- **HP USB/PS2 Washable Keyboard and Mouse**—Designed for quick disconnects and reconnects; can be immersed and cleaned with cleaning agents and surgical spirit
- **Proven power system**—Built-in battery power system keeps the cart running between charges

### One call for warranty service and support

The HP Chart Cart 1100d comes completely configured with a single contact number for warranty support. HP is making healthcare IT easier with a single point of contact for service and support.
